

**ORDINANCE NUMBER 95/2012**  
**OF THE MAYOR OF BARTOSZYCE TOWN**  
**from the 10th of August 2012**

*In case of introduction of Regulations of using the public Internet access points – the WiFi\_B@rtoszyce Network.*

Pursuant to the Art.30 paragraph 2 point 3 of the Act from the 8th of March (Journal of Laws from 2001, number 142, item. 1591 as amended), I manage the following rules:

**§ 1**

There are settled the Regulations of using the public Internet access points – the WiFi\_B@rtoszyce Network.

**§ 2**

The content of Regulations of using the public Internet access points – the WiFi\_B@rtoszyce Network, constitutes the attachment no 1 to these ordinance.

**§ 3**

The Ordinance comes into force upon adoption.

**Mayor of Bartoszyce Town**  
*Krzysztof Nałęcz*

## Wireless Internet Public Access Terms – The WiFi\_B@rtoszyce net

### §1 Definitions

1. The WiFi\_B@rtoszyce net – the WiFi technology – based wireless computer network(802.11) providing access to the Internet in appointed spots in Bartoszyce.
2. Operator – Town Council of Bartoszyce located in Boh. Monte Cassino 1 street in Bartoszyce.
3. User –natural legal person using the WiFi\_B@rtoszyce network.
4. Terminal – the device connecting User with the WiFi\_B@rtoszyce network.

### §2 Service access

1. The Operator makes the WiFi\_B@rtoszyce network accessible to the Users to use the Internet, under below conditions:
  - a) The WiFi\_B@rtoszyce network services are non-commercially and freely invinced,
  - b) To put in the WiFi\_B@rtoszyce network, there is ownership of Terminal equipped with the WiFi radio device accordant with the 802.11a/g/n standards required
  - c) The User has an access to the WiFi\_B@rtoszyce network after the authorisation process' accomplishment.
2. The access to the WiFi\_B@rtoszyce network is in terms of technical parameters, spatially and time limited.
3. The Operator reserves the right to:
  - a) Put restrains on time of connection, bit rate, transmission of data limit and other transmission parameters,
  - b) Restraint and blocking access to the chosen Internet contents and services,
  - c) Recording and monitoring informations or data to provide safety or the WiFi\_B@rtoszyce network management.

### §3 The Operator's liabilities, rights and responsibilities

1. The Operator will endeavor to make the WiFi\_B@rtoszyce network services provided continuously.
2. The Operator reserves the right to interruptions in access to the WiFi\_B@rtoszyce network resulting from the maintenance works and being a sequence of random events or force majeure.

3. The Operator reserves the right to temporary or permanent blocking the access to the WiFi\_B@rtoszyce network for the Users who do not follow the Regulations.
4. The Operator do not take responsibility for any injury incurred by the User, resulting from the use of the WiFi\_B@rtoszyce network, especially for:
  - a) Malfunction of the Service
  - b) The disclosure of User data,
  - c) Unauthorized users' access to the User's data
  - d) Lack of access to the Service
  - e) The operation of the software provided by other people.

#### §4

#### The User's liabilities and permissions

1. The User uses the WiFi\_B@rtoszyce network provided reading and accepting the Regulation's decision.
2. Using the WiFi\_B@rtoszyce network runs entirely at User's risk and responsibility.
3. It is forbidden for the User to use the WiFi\_B@rtoszyce network to any kind of action offending applicable law, especially:
  - a. Sharing and downloading from the Internet: copyrighted materials (software, films, music, etc.), pornographic, racist contents, etc.
  - b. Sending and sharing contents which can harm anyone's personal interests.
  - c. Sending out unsolicited by recipients advertising contents (the so-called spam),
  - d. Spreading computer viruses and other programmes which can harm the other Internet user's software or data,
  - e. Getting unauthorized access to IT systems which are held by other Internet users,
  - f. Violating the security used in the WiFi\_B@rtoszyce network.
4. The User is prohibited to use the WiFi\_B@rtoszyce network to:
  - a. Running services server on the Terminal,
  - b. Commercial aims without the knowledge and agreement of the Town Council,
  - c. Any other actions which can be considered as dangerous to the WiFi\_B@rtoszyce network functioning,
  - d. Sharing connection with the Internet to other entities by using tele-technical devices such as: Access Point, Router, etc.,
5. The User takes a full responsibility for the way one uses the WiFi\_B@rtoszyce network, including the content of sending messages and unlawful actions.

### Final provisions

1. In cases unregulated by this Regulations, the Civil Code is applicable.
2. The current version of the Regulations is published on the [wifi.bartoszyce.pl](http://wifi.bartoszyce.pl) website.
3. The WiFi\_B@rtoszyce's technical parameters' changes do not cause the change of this Regulations and do not require announcement.
4. The Operator reserves the right to provide changes in this Regulations.
5. The User is not entitled to any claim for the provided changes.
